The Eagle '67

Published By The Senior
Class of Toler School

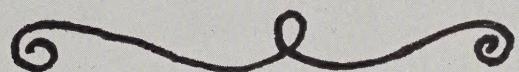

Foreword

The staff of the "1967 Eagle" is delighted to present this annual which represents the unified effort of the Senior Class and their advisors.

We hope that this edition of the EAGLE will, in a small way, indicate some of our successes, exciting moments, and special activities sponsored by our school and related organizations. As you preserve this book and reminisce from time to time, we hope that you will gain a better insight of our efforts in the different phases of our cultural development.

In the future, many of the activities of our high school days will be forgotten, but may this record serve as a reminder of the most important incidents of the 1966-1967 school year.

School Song

In the hills of Northern Granville
Stands dear Toler High
Your dear name we'll ever cherish,
As the years roll by.

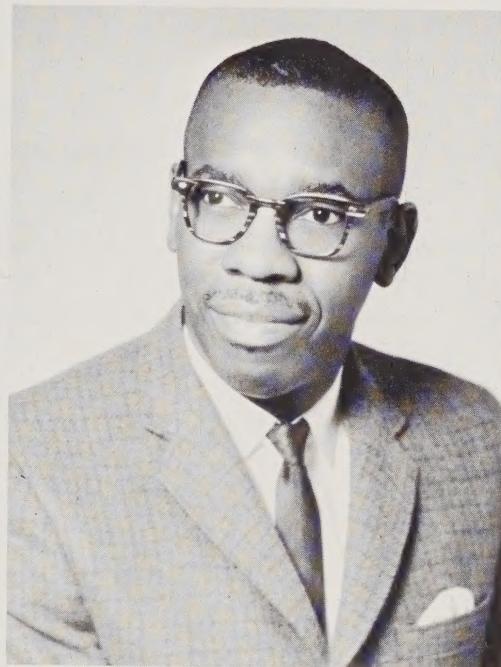

Our strong spirit can't be broken
Sealed by friendship tie
Then lets pledge in word and deed,
Our love for Toler High.

There's a motto can't be beaten
Formed in Toler High
Forward ever backward never,
May it never die.

Chorus

Alma Mater, Alma Mater
We will e'er be true
Loyal to your noble precepts,
To the white and blue.

Dedication

We like to thank you, Mr. L. M. Dunn, for your leadership, and many years of devoted service to the high ideals of educational advancement at Toler School. Your efforts have not enhanced our class and others for many years, but have harvested many lasting friendships.

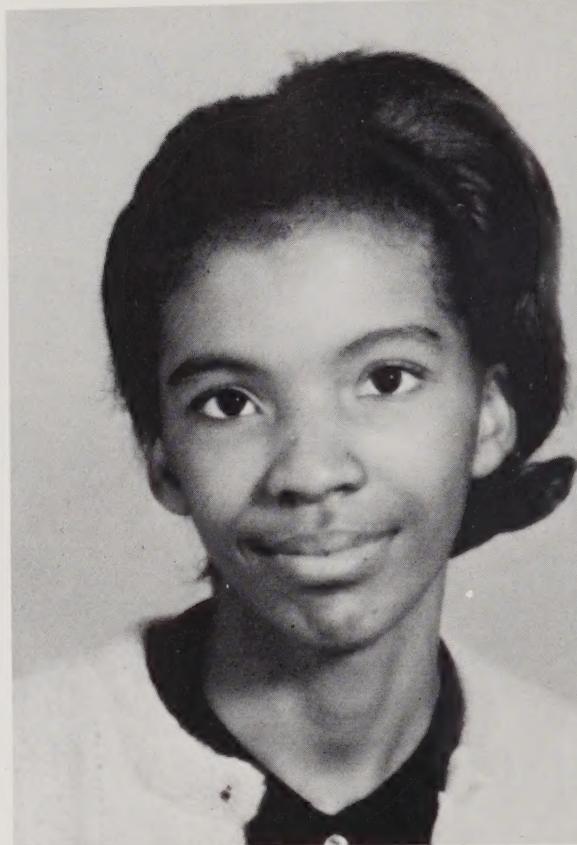

We dedicate the "EAGLE" to you , Mr. L. M. Dunn, in hopes that it will express our sincere gratitude on behalf of all of the Toler graduates, and especially our class. With this dedication we extend to you our best wishes for a golden future.

| Class of 1967

The Senior Class of 1967 shares with you all the joyous memories of this school year. The class has striven to bring to you in this "1967 Eagle" the school's events. We hope that it will give you an insight of our labor in our special efforts to achieve our educational goals.

We have endeavored to present our school in action in its many phases of activities. It is hoped that you will preserve this edition as a memoir of the 1966-67 school year.

Editor-in-Chief - Nannie Hawley

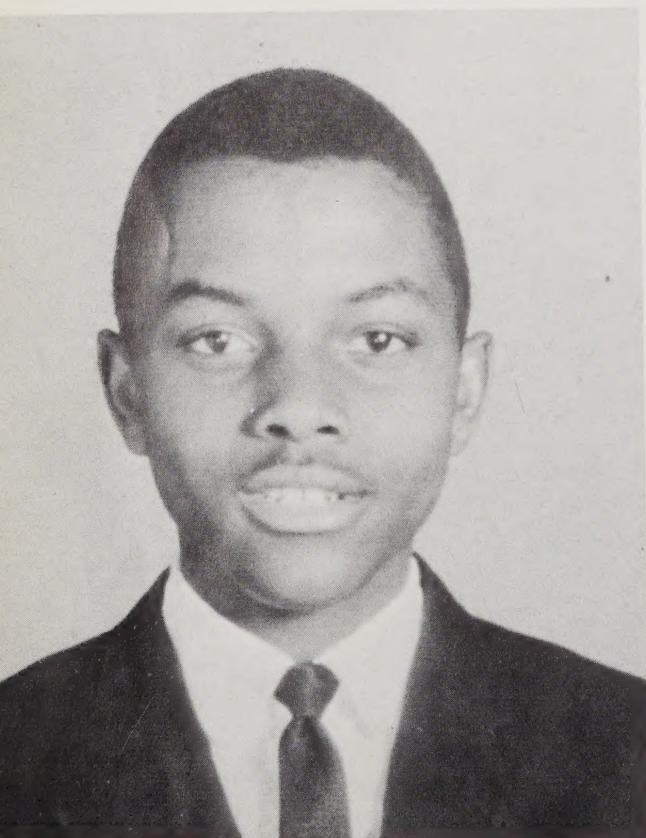

We, the members of the Senior Class of 1967, wish to leave in this volume some of the achievements, aspirations, and activities of the students at Toler School.

We have enjoyed preparing this edition for you and we hope that it, in some way, will serve as a reminder of our days spent here and missions accomplished. It is our sincere hope that in the future this record of our 1966-67 activities, and fellowship will be cherished.

Most of all, we would like to take this opportunity to thank our advisors, Mrs. J. B. Hawkins and Mrs. I. D. McCrae for the supervision they gave and patience exemplified in preparing this annual.

Greetings and best wishes for success to each and every member of the
Toler High School Graduating Class.

A handwritten signature in cursive ink that reads "David N. Hix". The signature is fluid and expressive, with a large, sweeping initial 'D'.

Granville County Schools

Our Principal

Congratulations to the members of the Class of 1967!

As each of you venture forth to take your place in the great arena of life, thought, and action, I would command to you the following words of wisdom gleaned from the pen of James Allen --

As you think, as you travel, as you work, and as you love, you attract. You are today where your thoughts and efforts have brought you; you will be tomorrow where they will take you. You cannot escape the results of your thoughts, but you can continue to endure and learn, (can accept and be glad.) You will realize the vision, not the idle wish, of your heart, be it base or beautiful, or a mixture of both; for you will always gravitate towards that which you secretly think and like.

In your hands will be placed the exact results of your thoughts; you will receive that which you earn; no more, no less. Whatever your present environment may be, you will use, remain, or fall with your thoughts, your wisdom, your ideal. You will become as small as your controlling desire; as great as your dominant aspiration.

May you always walk with dignity, reverence, and thoughtfulness.

A handwritten signature in cursive ink, appearing to read "Seth W. Hester".

Guidance

Counselor

The time has come for you to leave the walls of your Alma Mater. I share with you your happiness in reaching this milestone of your educational career. You have looked forward to this time with great anxiety, but the nearer the time for this momentous day approaches, I am wondering if you have made each second, minute, and hour count as you climbed the ladder to graduation.

During the time that I have guided and counseled you, I have tried to instill in you the importance of making the most of your high school days. Your future will depend on how well you have prepared yourself, because tomorrow depends on today and is only as strong as your today.

I have enjoyed our counseling sessions, and whatever your post high school plans are, and whatever your future success is, please realize that my greatest happiness comes, when you have done (your best) and achieved success.

You have my warm and heart felt wishes for your success.

- 5.** When we are not sure, we are alive.
